

Past Present and Future Courtyard

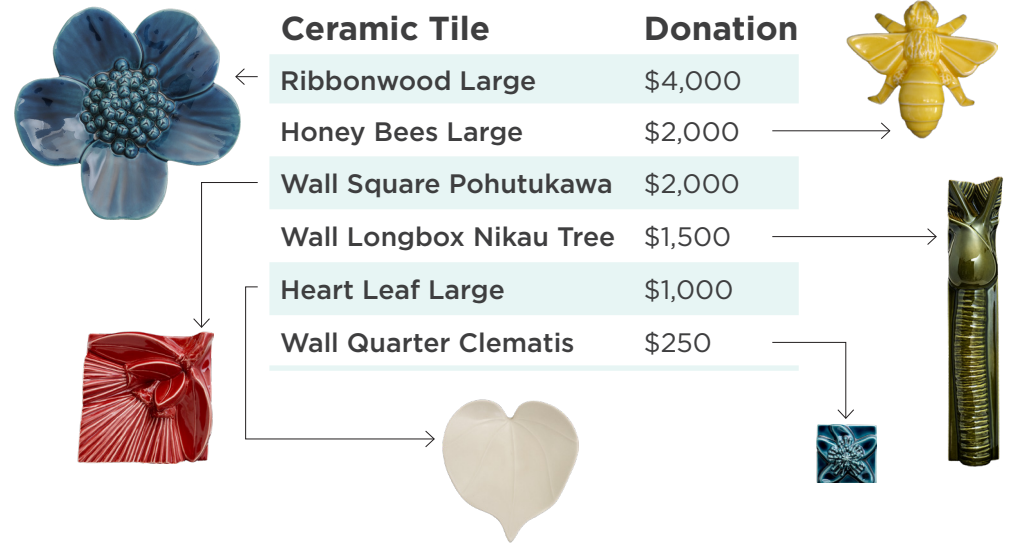

Mercy Hospice

As a special way to remember your loved one you can purchase a commemorative tile in our courtyard, with their name engraved on an adjacent honours board.

These beautiful memorial tiles provide a tangible and lasting tribute from families and friends to a loved one who has died in our care.

The Past Present and Future Courtyard is open at all times for families to view their tiles and in February each year you will be invited to a gathering for a time of reflection and to celebrate the life of your loved one.

Contributions to this project enable our legacy of care to continue to be provided free of charge to the people of Auckland City.

For more information and to purchase your memorial tile, please contact **the Fundraising team**
 DDI 09 956 4443 E hello@mh.org.nz

Thank you to Bob Steiner for assisting us to develop a series of ceramic art works which are displayed in the courtyard.
